

SUMMER SYMPOSIUM 2016
GIVING BACK TO THE EVERGLADES

SUMMER SYMPOSIUM SPONSORSHIP

SATURDAY AUG. 6TH, 2016 - 9AM - 6PM / MICCOSUKEE RESORT

WWW.LOVETHEEVERGLADES.ORG

Salutations,

Love The Everglades Movement (LTEM) is a multi-faceted environmental organization that works to bolster public support for the Everglades with community outreach events. One of the things that makes LTEM a unique organization comes from our full spectrum format that combines education with the arts, spirituality and the inclusion of diverse communities. Our goal is to empower people and provide outlets to protect the Everglades and our natural resources. Right now we need your help to manifest these programs.

We are currently working on the 3rd Annual Summer Symposium: "**Giving Back to the Everglades**" and looking for sponsors like you.

This is a 3-day forum of education, networking, community outreach and direct action.

Day 1 (Sat, Aug 6) features a series of speakers who will share their experiences and knowledge of the Everglades.

Day 2 (Sun, Aug 7) focuses on networking and expanding resources through a series of workshops and interactive discussions.

Day 3 (Sun, Aug 14) is an opportunity for direct action with an Everglades Clean-Up that brings people into the Everglades to remove garbage and invasive plants.

As an expansion of LTEM's events, we have the 9th Annual Everglades Awareness Benefit Concert and we are developing an Water Film Fest.

As part of the production of these events, we will be recording and sharing the footage to help reach more people beyond the initial event. As a sponsor, your logo and links will be included in these materials as we post them on our websites and social media outlets. By being a sponsor there will be numerous networking opportunities that will connect your organization to progressive individuals and associations.

With your support LTEM will continue to grow and provide a platform for people to interact and expand our base for community development. Your involvement will be part of the event branding that will reach the attendees and through the promotions. Your participation provides the resources needed to make these programs happen successfully and allow LTEM to further our goals to protect the Everglades.

We have included options for sponsorship opportunities.

Thank you for your support and we look forward to working with you and your organization.

Let's see what we can do together. The world we save is our own!

Thank you for your consideration and support.

Love The Everglades Movement
