July 7th, 2014

Dear Friends,

We cordially and humbly invite you to Love the Everglades Movement's Summer Symposium 2014 (SS14) on July 26th & 27th, 2014.

Love The Everglades Movement (LTEM) is working with activists and community organizations to create a 2-day educational conference, airboat tour of WCA-3A, and action planning. LTEM is publishing all presentations and discussions through a variety of media platforms and contributes to the global discussion on Everglades matters.

The goals of this symposium are to 1) critically engage various communities in environmental and activist discussions, 2) provide networking opportunities between communities, and 3) provide information on environmental, political, social, and spiritual concerns regarding Everglades restoration.

Day 1 of the Symposium will take place on the 2nd floor of the Miccosukee Resort & Convention Center, Ballroom A and B, at 500 SW 177th Ave., in Miami, Florida. Day 2 will take place at the FIU Maidique Campus, at 11200 SW 8th Street, in Green Library 220.
